New Life Special Care Babies

Registered Charity 1155084

OUR STORY

New Life Special Care Babies was founded in 1995 by Trevor Goodall in memory of his twin sons, Joshua and Samuel. Born three months early, they weighed just 1lb 1oz and 1lb 3oz.

Tragically, both passed away after a week, but their struggle inspired Trevor to take action and make a difference.

Introduction

New Life Special Care Babies is a charity committed to supporting premature and medically fragile babies, giving them the best possible start in life.

We collaborate with corporate partners to enhance the care and resources available to these vulnerable infants and their families.

Partnering with New Life

Partnering with **New Life Special Care Babies** is an opportunity to make a real, lasting impact on the lives of premature and critically ill newborns.

Every year, over **100,000** babies in the UK are born too soon or require urgent medical care. With your support, we can provide vital resources, medical equipment, and family support services to ensure these vulnerable infants receive the best possible start in life

The Benefits with Partnering with us

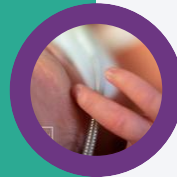

Make a Meaningful Difference

Your company can help fund life-saving neonatal care, giving fragile babies a fighting chance.

Enhance Corporate Social Responsibility

Demonstrate your commitment to social good and align with a cause that resonates deeply with employees, customers, and stakeholders.

Engage & Inspire Employees

Boost employee morale and team spirit by getting involved in fundraising events, volunteering, and charity initiatives.

Impact & Support

New Life Special Care Babies relies on the generosity of corporate partners to support its mission.

To date we have raised £1.8 million and bought £1.5 million worth of equipment for Neonatal Units across the UK

We have helped over 25 UK hospitals and positively impacted 1000's of tiny lives

Testimonial

After visiting the Neonatal Unit I would like to express my sincere gratitude to you and your supporters for the amazing support you have given our unit. Your generosity gives us the ability to do our best at meeting the challenges of very sick and fragile babies.
